Location

Depot
Pinwell Road
Lewes
East Sussex
BN7 2JS

01273 525354

Travel

Depot is ideally located for visiting by train as the venue is located to the rear of Lewes station.

If travelling by coach the front of Lewes station would be a good drop off point as Pinwell Road is a very narrow lane.

Further travel details including information about disabled parking options are available on the website lewesdepot.org

Access

The three auditoria; the Cafe, Restaurant, Lounge and Gallery; the toilets; the outside terraces and the garden are equally accessible to all. All signage is bold and large. There are gender neutral toilets adjacent to the restaurant.

If you or your students have any specific requirements please do let us know and we will do all we can to help.

Booking seats

Explore Film events are being held in Screen 1, our largest screen with 142 seats. If you want your students to all be seated together we advise you to block book the seats over the phone.

Tickets for these events are also on sale to the general public.

Course Details

Each **Explore Film** event will run from 10:30 to 15:30 but please arrive early to enable a prompt start. There will be a welcome desk for students to collect the resources for the lectures. The venue opens at 09:00.

The five hour event will be structured as follows:

120 – 150 minute lecture (depends on the length of the film being screened)

Approx 30 minute lunch break

Film Screening

Q & A

Lunch

As Depot has a restaurant, learners will not be able to eat their own packed lunches at the venue. However, we will be offering student lunch packs for £5.00 that can be reserved online and paid on the day by teaching staff. To reserve lunches please complete the form on the Explore Film page of the website and send to Lisa at education@lewesdepot.org

We look forward to seeing you at Depot.
