

FAIRTRADE FORTNIGHT

24 FEBRUARY – 8 MARCH 2020

Depot's tea supplier, **Hampstead Tea**, is rated as the joint number one ethical tea brand in the UK by Ethical Consumer. Their tea comes from the Makaibari estate in Kurseong near Darjeeling.

Makaibari have done some great things with the **Fairtrade** money they receive:

- A women's durbar, a meeting space to discuss and share problems. Rajah, the owner of the estate, presided over these meetings and offered solutions.
- A crèche for the kids while their mums were out picking
- nursery schools for the children of the 1,600 villagers living on the estate.
- Portable gobar units, powered by cow dung slurry, so that trees and wood weren't cut down
- A cow to each family to provide them with milk and, in turn, cow manure for the estate.

392,700 farmers and workers across 11 countries are involved in Fairtrade tea production.

When you buy Fairtrade tea, farmers and workers can bring greater security, equality and opportunity to the lives of their families and communities – and that's just for starters.
