

A person's hands are clasped together on a dark desk. In the background, a silver laptop and a tablet are visible. The scene is dimly lit, suggesting an office or meeting environment.

Depot

Meetings

The Studio at Depot is the perfect space to have your next meeting. The light modern room offers a neutral space away from home or work office space.

The room has a projector, wifi and sound system capabilities and can be setup to your requirements.

We can offer hospitality for you and your guests.

Studio hire £50 per hour, £150 half day hire, £300 full day hire. Includes setup and use of tech and wifi.
